Tents:

- 2 - Cotswold Mess tent (super - 24' x 14' x 7' with extension)
- 1 - Cotswold Mess tent (standard - 14' x 14' x 7')
- 1 - Party tent
- 1 - Nijer patrol tent
- 1 - hike tent (Eurosure, no pegs - dubious)
- 1 - hike tent (Jet packer, no pegs - unseen but suspect very old)
- 1 hike tent (Vaude 2-man) in the mountaineering store, in very good condition (so far only used by ADC (Activities)) This is intended for D of E use and mountain backpacking.

Note - this list has been produced in order that the Groups can see what equipment the District holds currently. This list is a shortened version of the full list of equipment, ie the one including spoons and spatulas etc. Obviously there is also the caving, climbing and walking equipment on top of this and Tony Hayward has an extensive range of electronic maps at 1:50,000 and 1:25,000 scales. If you want any maps printed off - e.g. for summer camps - please contact him. A good majority of the list above has been written off and we therefore need an idea of what Groups wish us to keep for their use in future.
