

A date has been finalised for Jaffa Cake at last and it is 11th-12th September, a bit earlier than usual.

For those who have not entered before it is overnight incident hike in West Berkshire suitable for Explorers, older Scouts, and equivalent age Guides and Rangers.

All we need now are some teams to enter.

And we would appreciate any more help from leaders as well.

The usual flyer and entry form will be forthcoming when the theme is confirmed and I have finished it (expect it by . but in the meantime we will be putting information as we get it up on the Jaffa Cake Hike Facebook page ( as soon as it is updated from last year by my "PR team") . Please become a friend of Jaffa Cake Hike and we will be able to contact everyone at once.

If anyone has Scouts or Explorers who wish to walk but cannot fill a full team then please get in touch and we will act as a clearing house to make up scratch teams.

Looking forward to seeing you on the 11th September.
