Baden-Powell Sculpture - Poole Harbour

On Wednesday 13 August 2008 at 2.30pm a sculpture of Baden-Powell is being unveiled on the quayside at Poole Harbour (adjacent to where the ferries depart for Brownsea Island). Everyone is very welcome – the more the merrier and a good opportunity to show the flag for Scouting. If you do attend and if it is possible would you please wear uniform.

Christine and I will be in the Poole area for a few days and intend to be there and we hope some of you will be able to join us.

My apologies for the rather short notice but I have only received the full details this morning (Thu 07/08).

Kind regards

Tony
