

Fellowship (Pub) Walk – Saturday 16 August

Where are we going ?

A roughly 5 mile round trip walk from outside the Seven Stars pub , via The Bell at Waltham St Lawrence (for lunch - roughly half way round) . There are some quite nice views after the first hill - and the good news is that this is the only hill. The bad news is that you have to climb it again on the way back.

The Seven Stars is just off the A4 (in a layby) on the North side - from Twyford towards Maidenhead - at Knowl Hill (post code RG10 9UR for SatNav users). When you pass the Esso Garage going East you're almost there.

Note that most parking is on one side of the layby only.

We'll set off at 10:45 from the layby.

What if it rains / snows / hails / the end of the world happens ?

Phone to check on Saturday morning (Daves mobile: 07870-832-411)

What do I need ?

Walking boots are a good idea if it has been wet as it can be a bit muddy after rain.

Money for pub lunch

Money for beer

(and all the usual things that walkers bring)
