With 4572 scout and guides 1074 Leaders and 750 staff from 44 different countries this was by far the biggest WINGS to date. Many were turned away so book early for 2014.

Wokingham District were out in force with the majority of the District Team assisting in one way or another. Three groups and the District Explorer Unit also attended making nearly 100 attendees at WINGS 2009.

It was a great week and where many new friends were made and old ones reacquainted. From the run of e-mails being received it would appear that all had a great time.
